

Thoughtful Shopping Checklist

Click N Save With Me | Practical ideas for busy family days

☐ **1. Name the need**

What recurring task or inconvenience would this solve?

☐ **2. Check what you have**

Could an existing item or a simpler routine work?

☐ **3. Measure the space**

Record width, depth, height, and operating clearances.

☐ **4. Compare the exact model**

Check accessories, care instructions, and limitations.

☐ **5. Check the full cost**

Include delivery, extra accessories, and subscriptions.

☐ **6. Review seller and return terms**

Confirm current details before checkout.

My decision: Buy / Wait / Use what I have

Item: _____ Budget: _____

Notes: _____
